# Erik Sandgren

**Plein Air Painting:** A 3-day Aqueous Media Workshop  
Watercolor/Gouache/Acrylic

**April 20-22, 2007 - 9:30am-3pm**

This workshop is for serious painters of all skill levels. Drawing experience is very helpful. Emphasis will be on painting on site with close observation of color so that it works pictorially to suggest light and form. Erik will emphasize ways in which on site paintings can be developed with special attention to the kinds of observations and notations that are essential for further development back in the studio.

Erik Sandgren's paintings and prints are exhibited nationally in galleries and museums including solo shows in New York. He is a graduate of Yale College where Bernard Chaet was his principle mentor. He also earned an MFA from Cornell University in Painting and Printmaking and was Fullbright Exchange teacher to England at Hastings College of Arts and Technologies in 1995-96. He has just returned to teaching from extended sabbatical leave to Europe including an Artist Residency with the Alfred Klots program at Rochefort-en-Terre in France administered by the Maryland Institute College of Art.

Erik regards teaching as a welcome complement to his ongoing studio work. His credits and accomplishments are too numerous to mention here. We encourage you to visit his web site:

Many Oregonians will be familiar with the 4,000 square foot mural in the Eugene-Springfield Airport that Erik's father, Nelson, designed and he and several other artists assisted in 1989.
